From our Worthy President

Dear Fellow Eagles,

As we enter into a New Year I want to personally thank our Members that helped our Aerie end the year on a positive note. Yes we have had our trials and tribulations in 2017 but we have emerged successful and we will take the lessons learned and look forward to a great 2018 at FOE 714!

I feel at some times that we need to all be reminded of exactly what the words Brotherhood and Sisterhood, that we use so frequently, actually mean. To me, Brotherhood is the bonding of men of various backgrounds, beliefs, places, and eras around a singular set of life-directing commitments. This allows me to be a brother with someone I disagree with politically, religiously, or in other ways for that matter. Because instead of being based on personality and friendship brotherhood should be based on our shared commitments. A brotherhood is weak or strong based on the degree to which the commitments are made and maintained. Most importantly brotherhood values togetherness. A fraternity does not survive when personal agenda's take center stage but a fraternity will thrive when we, brothers and sisters, work together as one with the greater goal being the success of Atlanta FOE 714.

So brothers & sisters, let our New Year's resolution be a re-commitment to and caring about not only the organization but also the family in which we have each chosen to join and which has accepted us for a lifetime.

I hope everyone has a Happy & Blessed New Year!

Worthy President 714,
Gene Tripp

From our Madam President

My Dear Sisters,

As this is the beginning of a brand new year, I wish you lots of love, hope, faith and happiness. May troubles, hurt and last years pains stay just that, last years.

Congratulations and thanks to everyone who supported our New Year's Eve celebration! To the Wallaces and the Boyds, you've proven that once again first time Chairpeople can knock it out of the box and aerie and auxiliary can work hand in hand.

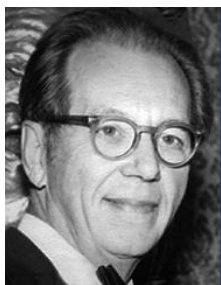

Don't forget to support this month's charity, which is diabetes, for more details check your bulletin and listen to the Calling Posts. Oh and when all else fails you can come to your meetings. Go get'em Paula!

Bingo always needs players and volunteers for those who are interested see Kim Taylor.

We are honored to announce Grand Madam Helen Poehner will be at Atlanta 714 on the 16th and 17th of this month. On the 17th at 10am we will be having brunch at the restaurant Another Broken Egg at 2355 Peachtree Street in Buckhead. From there we will travel together to go to the World of Coca-Cola. That evening there will be a meet and greet for Grand Madam Helen. So come and take part in the festivities. Wishing you all the best in 2018!

Happy Holidays!

Kimball

Robert Hansen Diabetes Fund

In 1978, the Robert W. Hansen Diabetes Fund was added under the umbrella of the Heart Fund after studies further showed the correlation between diabetes and heart-related illnesses. As time went on, diabetes swelled into an American epidemic with a tremendous effect on various aspects of human health, causing the Diabetes Fund to grow into a full-fledged charity fund of the F.O.E. To date, Eagles have given millions of dollars in grants to local, state and International organizations dedicated to furthering diabetes research and prevention. During the 2011-2012 fraternal year, members of the F.O.E. contributed \$273,017.91 to the Diabetes Fund. Robert W. Hansen, the fund's namesake, was a two-time Grand Worthy President of the Eagles and was known for his career as a Justice of the Wisconsin State Supreme Court. Hansen was heavily involved in the organization and served twice as Editor of Eagle Publications.

Presidents Choice for

JANUARY EAGLE OF THE MONTH

RICHARD & MELANIE WALLACE

Kimball and I have chosen the Wallace's for several reasons. They are both devoted Eagles who often drive in from their home in Covington to support their Aerie and to attend Aerie and Auxiliary meetings on a regular basis. We also appreciate the fact that they don't hesitate to step up when volunteers are needed. Richard and Melanie are a great example of the Eagles we need at 714 to continue on successfully. We appreciate and thank them for their loyalty!

They will receive \$25.00 Eagle Bucks
