From our Worthy President

Greetings Brothers and Sisters,

I'm honored that I have been elected to be your President for this coming year and I'm looking forward to great year for all of us. I'm especially happy about Reba having been elected as the Madam President of the Auxiliary. She has done this twice before hand and that is the kind of experience we need during these times. We have a lot of challenges on our table for this coming year. We all need to work together to ensure we have a successful and productive year.

One of my top items is membership. With my fingers crossed, I'm hoping to get new faces in our Aerie. I have started a "real" membership committee and Gene Tripp, Worthy Vice President is the chair for Aerie, and we will also need a co-chair from the Auxiliary. I will be looking for volunteers to help.

For this Aerie to survive we will need to grow and this means getting new members. Please try and bring in new people. Friends, family, etc. who you feel would make a good Eagle to the Club. Suggestions for improvement to our club are very welcome. Please put in the BOT suggestion box. All suggestions will be taken seriously. Also we are having a Joint officers meeting on 7-13-16. I'm hoping for a big turnout.

Fraternally,

Worthy President

Bobby Mislow

From our Madam President

Hello Sisters,

It has been a very interesting first month as Madam President, thank you all for voting me in.

We have a lot going on in the new year. Hope everyone is up for the challenge.

!!!! Our goal is Membership !!!!!

Kim Taylor is membership chairperson and she has started a contest for members. Look around the Aerie for the information, or come to meeting and find out, the meetings only last 1 hour to 1 1/2 and its only 2 times a month. There will only be one meeting in July and that will be on the 7th. So come on down and join us. There will be a joint officers meeting on the 13th at 7p.m.

Miss Evelyn's service was great and I'm sure everyone misses her and much as I do. We have lost a lot of members this past year. Prayers be with all the family members left behind.

The Father's Day Brunch turned out great, food awesome. Sorry if you didn't make it. Thanks to all that did.

The Past Madam President's will be doing the charity in July, Cancer. Look for information! We will need more volunteers for upcoming charity's. Remember, we are "people helping people". You are welcome to call me at 678-463-0010 if you are interested. See you at the Aerie

Thank You

Reba Moscaritolo

Madam President

Board of Trustees

Brother's & Sister's,

All of us on the BOT are looking forward to working with all of you during the upcoming year. We want this to be a team effort with everyone getting involved.

Pati Berl is our new Auxiliary Liaison person. She will be working to improve the relationship between the Aerie and the Auxiliary.

We would appreciate your input on the meals you would like, drink specials and on brands you prefer. One question we have already received concerns members wanting to bring in their own special brand of wine and paying a "CORKING FEE". This is illegal and could cost us our Liquor license. However, we do encourage your input and need to know what brands so that we can see if it is feasible to stock them.

Another area of concern is the Social Room hours. In an effort to cut some of our expense, the floor voted on closing early in the evening if warranted. So, the BOT and bartenders will be using their judgement on this matter. Hopefully we will not have to take this approach very often.

We have sent out a flyer on the new July Happy Hour for Tuesday, Thursday and Friday.

Please realize that with our limited space we can't stock everything or cook every meal that you request, but we will do our best to make as many of you happy as possible.

Sunday entertainment is another area that we would like suggestions on. What would you like to do?

Our goal is to make this the place where you want to spend your time. We all need to work on membership. That is critical to our very existence. Bring in your friends and neighbors, the ones you would like to spend time with.

We have a suggestion box by the Trustee door. We will be reading your notes every week.

This is a team effort, please get on board and help us make this a great year.

Thanks,

Your BOT

Our Volunteers of the Month are Pam and Mary

Besides all the work and help that Pam does around the Aerie and behind the bar, these 2 ladies helped organize and executed a fantastic memorial for Evelyn Scully. They both went above and beyond for this ceremony. Thank you for all the work you do.
